

Graduation Ceremony

On 14th March, 2026 the Graduation and Convocation Ceremony 2026 was organized at Satyam College of Education to celebrate the achievements of the graduating students. The ceremony was graced by the Chief Guest, Hon'ble Smt. Padmaja Chauhan, ADG – Women & Child Security Organisation and ADG – Fire & Emergency Services, Uttar Pradesh, whose inspiring address encouraged

students to lead with courage and confidence. The event also honoured Ms. Nisha Verma, the College Topper, for her outstanding academic excellence. Filled with pride, gratitude, and joyful moments, the convocation celebrated the students' success and wished them a bright and promising future.

FDP organized by (CPDHE)–MMTTC, University of Delhi in collaboration with Satyam College of Education

The online Faculty Development Programme (FDP) on NEP Orientation and Sensitization Programme (17th–26th February 2026), organized by the Centre for professional development in higher education (CPDHE)–MMTTC, University of Delhi in collaboration with Satyam College of Education, focused on key reforms and vision of the National Education Policy (NEP). In brief, the sessions discussed the shift towards holistic and multidisciplinary education, strengthening research-based learning,

and improving teaching-learning practices in higher education. The experts highlighted the importance of developing critical thinking, creativity, and experiential learning among students and use of ICT Integration in teaching learning process. Emphasis was also placed on aligning curriculum with NEP goals, promoting flexible learning pathways, Inclusive Education and encouraging faculty to adopt innovative and student-centered teaching methods.

School Exposure Programme

The Internship Cell under IQAC of Satyam College of Education has organised the school exposure programme for B.Ed. 2nd Semester students, conducted from 27th April to 5th May, 2026 in various partner schools. The programme provided aspiring teachers with rich hands-on experience through classroom observation, teaching practice, and effective classroom management under the

guidance of experienced educators. Students also gained valuable exposure to school infrastructure, resources, and real classroom environments across different institutions. This opportunity greatly contributed to their professional development and practical understanding of the teaching-learning process.

Visit To Akashvani Bhawan

An illuminating educational visit to Akashvani Bhawan was organized by the Internal Quality Assurance Cell (IQAC) on 26th February, 2026 for B.A. Second Semester students (Batch 2025-28). Designed to offer direct, practical exposure to radio broadcasting and media communication, the excursion allowed

students to explore professional recording studios and advanced control rooms. By bridging theoretical concepts with industry realities, the interactive hands-on experience enhanced the students' practical knowledge and sparked a deep appreciation for audio journalism.

Scout and Guide Camp

From 3rd to 5th February, 2026 the Sports Cell under IQAC of Satyam College of Education, in collaboration with Hindustan Scouts & Guides, organized an enriching three-day training camp aimed at developing leadership qualities, discipline, character building, and a sense of community service among participants. The camp commenced with a formal flag hoisting ceremony followed by the recitation of the Scouts and Guides promise and laws. Participants actively engaged in hands-on sessions on pioneering, first aid, knotting techniques, and outdoor survival skills under the

expert guidance of Mr. Abhishek Mathur and Mr. Ankit Chaudhary. The event was strongly supported and encouraged by the management members, including Dr. Sneh Singh, Dr. CA Pradeep Gupta, and Dr. Bineeta Agrawal. The highlight of the third day was the announcement of the camp competition winners, teams representing Uttarakhand secured 1st Position, West Bengal secured 2nd Position and Haryana secured 3rd Position. The camp concluded with a grand valedictory ceremony conducted under the supervision of Mr. Vivek Tarar.

Farewell

On 9th May, 2026 Satyam College of Education organized a lively and unforgettable farewell celebration for the Batch 2024–2026. The event was marked with colourful cultural performances, happiness, laughter, and emotional moments as students and faculty gathered to honour the journey of the outgoing batch. A major highlight of the

evening was the title ceremony, where Ms. Radhika Mehta was crowned Ms. Farewell 2026 and Ms. Yashika Basne was announced as the runner-up. The event beautifully marked the end of a memorable journey and the beginning of new opportunities ahead.

UP Diwas Celebration

The B.Ed First Year students of Batch 2025–27 from Satyam College of Education actively participated in the UP Diwas Celebration held at Noida Haat from 24th to 26th January, 2026. The event beautifully highlighted the rich culture, heritage, and traditions of Uttar Pradesh while reflecting the theme “Viksit Bharat, Viksit Uttar Pradesh,” emphasizing unity, progress, and national pride. The students presented a powerful Nritya Natika along with a captivating folk and

patriotic dance performance that deeply moved the audience. Through expressive storytelling and graceful movements, they depicted the tragic Pulwama attack as a heartfelt tribute to the martyrs, which later transformed into a patriotic expression of courage and respect. The performance left a strong emotional impact and was widely appreciated for its creativity and meaningful message.

Alumni Meet

The Alumni Cell of Satyam College of Education organized a blended-mode meeting on 13th May, 2026. Dr. Bineeta Agrawal, Principal of Satyam College of Education, extended a warm welcome to all members and emphasized the significance of alumni participation in the institution's Continuous development. The second agenda item proposed the introduction of a mentorship

programme aimed at connecting alumni with current students for guidance and support. Under “Any Other Matter,” members recommended various initiatives such as organizing podcasts, campaigns, networking events, webinars, and skill-development workshops to further strengthen alumni engagement and collaboration.

Visit To World Book Fair

On 16th January, 2026 the Library Cell under IQAC organized an enriching educational visit to the World Book Fair at Bharat Mandapam, Delhi, for the students of B.Ed., B.A., B.Com., and B.Sc. Driven by the belief that "To read is to voyage through time, and to write is to build tomorrow," the excursion aimed to extend academic engagement far beyond traditional boundaries. Students spent the day exploring a vast array of national and international publications, interacting firsthand with authors and publishers, and attending vibrant literary sessions. The immersive experience beautifully nurtured intellectual curiosity, creativity, and academic enrichment across disciplines. By stepping into this global literary hub, our future educators and professionals gained invaluable insights into contemporary literature and academic resources, making the journey a resounding success for holistic student development.

Visit To Red Fort

An enriching educational visit to the historic Red Fort was organized by the Internal Quality Assurance Cell (IQAC) on 29th January, 2026 for students across the B.A., B.Com., and B.Sc. streams (Batches 2024–27 and 2025–28). Designed to enhance experiential learning and historical awareness, the excursion allowed students to explore the iconic monument and gain a first hand appreciation of India's cultural heritage. By successfully bridging classroom history with physical reality, the immersive field visit broadened academic horizons and cultivated a deep sense of civic pride among the participants.

National Youth Day

The college premises buzzed with inspiration on 12th January, 2026 as the B.Ed. students (Batch 2025–27), under the guidance of IQAC, gathered to celebrate National Youth Day. Honoring the birth anniversary of Swami Vivekananda, the program utilized PowerPoint presentations and a biographical video screening to explore his core teachings on self-reliance, moral discipline, and internal strength. The event aimed to catalyze the potential of the student community, successfully inspiring confidence and a spirit of national service among the future educators.

Lohri Celebration

Vibrant colors and rhythmic beats filled the Satyam Group of Institutions campus on 13th January, 2026 as the Cultural Cell, under the guidance of IQAC, organized a joyous Lohri celebration. The festive event was graced by Chairperson Dr. Sneha Singh, alongside principals, deans, HODs, and coordinators, who gathered in the central courtyard to light the traditional bonfire. Featuring high-spirited cultural performances by students and faculty, the harvest festival successfully brought the campus community together to honor cultural heritage and deepen institutional unity.

Basant Panchami

On 23rd January, 2026 the Cultural Cell under the guidance of IQAC organized a Saraswati Pooja on the campus premises to celebrate Basant Panchami. The traditional event, which was attended by dignitaries, faculty, staff, and students, featured prayers and floral offerings to seek the blessings of Goddess Saraswati. By decorating the campus in symbolic yellow hues, the celebration aimed to welcome spring and renew the community's shared commitment to learning, wisdom, and knowledge.

Republic Day Celebration

On 26th January, 2026 the Cultural Cell under the guidance of IQAC organized a celebration for India's 77th Republic Day at the Satyam Group of Institutions campus. The morning event featured a solemn flag hoisting ceremony attended by dignitaries, staff, and students, followed by inspiring speeches and spirited cultural performances. The celebration aimed to remind the campus community of their democratic responsibilities and foster a commitment to honesty, national pride, and constitutional ideals.

World Health Day Pledge

On 7th April, 2026 to mark World Health Day, the Internal Quality Assurance Cell (IQAC) of Satyam College of Education organized a meaningful pledge ceremony emphasizing that "Health is the greatest wealth one can possess". Led by the Principal, Dr.

Bineeta Agrawal, faculty members, and enthusiastic students took a solemn oath together to prioritize personal well-being. The event served as an inspiring call to action, motivating future educators to focus on balanced nutrition, regular exercise, and mindfulness to nurture a healthier society.

Earth Day Celebration And Nature Photography

On 22nd April, 2026 to celebrate Earth Day, the Internal Quality Assurance Cell (IQAC) organized an inspiring array of student activities focused on environmental stewardship and sustainability. Future educators turned the campus into a hub of innovation by displaying creative ways to reuse waste materials, alongside

participating in a Nature Photography Activity aimed at capturing environmental conservation. The event concluded with a moving ceremony where students and faculty stood side by side to take a solemn pledge to protect Mother Earth.

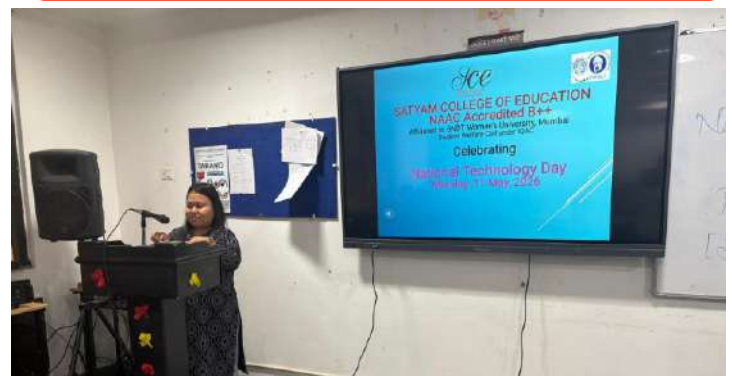

Dr. B. R Ambedkar Jayanti Celebration

On 13th April, 2026 the Internal Quality Assurance Cell (IQAC) of Satyam College of Education organized a program to honor the birth anniversary of Dr. B. R. Ambedkar. Led by second-semester B.Ed. students (Batch 2025-27), the event focused on Babasaheb's crusade for social justice, constitutional integrity,

and the upliftment of marginalized communities. Through PowerPoint presentations and a moving skit, the celebration inspired future educators to uphold his vision of building a fair, empathetic, and inclusive society.

National Technology Day Celebration

On 11th May, 2026 to celebrate National Technology Day, the Student Welfare Cell under IQAC organized a program spearheaded by first-year B.Ed. students (Batch 2025-27) to commemorate India's scientific milestones. The session focused on digital learning, creative pedagogy, and the constructive use of technology for educational and social development. Rather than just celebrating gadgets, the event sparked a vital conversation on how future educators can utilize digital tools mindfully to build a progressive, knowledge-based society.

Craft Workshop

The IQAC of Satyam College of Education, in collaboration with Fevicryl, organized a three-day Craft Workshop from 27th–29th April, 2026 for B.A., B.Com., and B.Sc. students. The workshop included Bottle Art, Lippan Art, and Glass Painting activities, providing hands-on learning experiences that enhanced creativity, artistic skills, and teamwork. It successfully promoted experiential learning through active student participation.

Use of ICT Tools in Education

To promote innovation in education and enhance digital learning competencies among future educators, the Extension Cell of Satyam College of Education organized a hands-on workshop on the “Use of ICT Tools in Education” for B.Ed. Second Semester students on 17th May, 2026. The session was conducted by Dr. Amandeep Kaur, Assistant Professor at Army Institute of Education, who highlighted the effective integration and application of ICT tools in contemporary classroom teaching. The workshop proved to be interactive, informative, and beneficial for all participants.

Construction and Administration of Achievement Tests

The Student Welfare Cell conducted a workshop on the “Construction and Administration of Achievement Test” on 21st May, 2026 for the B.Ed. Batch 2025–27 students. The session was

led by Dr. Shrikant Dwivedi, Professor and Program Chairperson, School of Education, Galgotias University. The workshop provided valuable insights into test preparation and evaluation techniques, making it an engaging and enriching learning experience for all participants.

Inclusive Education Exhibition

On 2nd April, 2026, the department organized an exhibition on Inclusive Education on the occasion of World Autism Awareness Day, in alignment with the guidelines of NEP 2020. Students displayed a range of innovative teaching-learning aids designed to support learners with visual, hearing, and learning disabilities, as well as autism. The exhibition highlighted their creativity, empathy, and dedication towards promoting inclusive education.

Carrer Information Exhibition

On 24th March, 2026 the second-year B.Ed. students of Satyam College of Education, specializing in Guidance and Counselling, have conducted an informative Career Information Exhibition under IQAC. The exhibition highlighted a wide range of career opportunities available after Grade 12 across various streams, including Science, Engineering and Technology, Medical and Life Sciences, Commerce and Business, Arts, Humanities and Social Sciences, IT, Digital and Creative Media, as well as multiple vocational and specialized fields.

Craft Exhibition

The IQAC of Satyam College of Education, in collaboration with Fevicyl, organized a three-day Craft Workshop from 27th–29th April, 2026 for B.A., B.Com., and B.Sc. students. The workshop featured Bottle Art, Lippan Art, and Glass Painting sessions, offering students an opportunity to explore different art forms through hands-on activities. The event encouraged creativity, teamwork, and skill development while promoting active participation and experiential learning.

Drama and Art Exhibition

On 12th May, 2026 the IQAC of Satyam College of Education organized a vibrant Drama and Art in Education Exhibition presented by the students of B.Ed. 2nd Semester, Batch 2025. The exhibition

creatively showcased different nations through colourful performances, innovative teaching aids, artistic displays, interactive games, selfie points, and beautifully crafted scrapbooks. The event highlighted the students' creativity, teamwork, and dedication while creating an engaging learning environment for everyone. The lively presentations reflected cultural diversity and artistic talent in an impressive manner. The efforts and enthusiasm of the students were greatly appreciated by Dr. Bineeta Agrawal. She motivated the students to continue learning with confidence, innovation, and creativity.

Women Awareness Programme

In solidarity with the Nari Shakti Vandan Abhiyan, the Women Development Cell of SCE under IQAC organized an interactive awareness programme for B.Ed. Semester 2 students (Batch 2025-27) on 13th April. The session featured Mr. Abhishek Sharma, Advocate, High Court, as the resource person. The programme proved to be highly insightful, highlighting the role of women as pathbreakers in building a Viksit Bharat.

Antimicrobial Resistance Awareness (AMR)

On 16th February, 2026 the Extension Cell under IQAC, organized an awareness programme on Antimicrobial Resistance as part of the MCR White Campaign, led by Dainik Jagran. The initiative aimed to sensitize students about the responsible and judicious use of antibiotics. The programme was enriched by the esteemed presence of Mr. Pranivar Singh, Manager (Brand Development), Mr. Sourabh Rai, Mr. Sumit Sisodia, and Dr. Nishant, General Physician at Felix Hospital, who shared valuable insights on the growing concerns of antimicrobial resistance and its prevention.

Session on Women Centric Laws

The Women Development Cell under IQAC, Satyam College of Education, organized an interactive session on Women-Centric Laws on 11th February 2026 in the college auditorium. The session featured Mr. Abhishek Sharma and Mr. Prakhar Singh, Advocates at the Delhi High Court, as esteemed speakers. The programme proved to be highly informative and insightful, providing students with valuable awareness about various legal provisions and protections related to women.

E-Waste Management Awareness Program

The Student Welfare Cell under IQAC of Satyam College of Education organized an awareness lecture on E-waste and its management on 22nd January 2026. The session aimed to sensitize students of B.A. First Semester (Batch 2025-27) and B.A., **B.Com, B.Sc. Second Semester (Batch 2025-28)** towards responsible E-waste management for promoting a sustainable environment. The session was enriched by the insights of Mr. Vivek Vishal, and Ms. Prachi Bhatia from Namu E-waste, who highlighted practical approaches and the importance of environmentally responsible disposal of electronic waste.

Rally on Constitutional Rights Of Women

On 24th February, 2026 the Internal Quality Assurance Cell (IQAC) organized an energetic Awareness Rally on the "Constitutional Rights of Women" around the campus vicinity. Spearheaded by B.A. Second Semester students (Batch 2025-28), the march utilized hand-painted posters and impactful slogans to promote gender parity, social respect, and legal literacy. By taking their learning into the community, the students successfully raised public awareness and reinforced the institution's commitment to nurturing a more just and equal society.

Guest Lecture on Work-Life Balance

On 18th May, 2026, the student welfare cell under IQAC of Satyam College of Education organized a guest lecture on “Work-Life Balance” for B.Ed. Semester 2nd, Batch 2025–27 students to prepare them for future professional responsibilities. The session was delivered by Dr. Nisha Tyagi, Assistant Professor at St. Thomas College of Education, who shared valuable insights on maintaining balance in personal and professional life through concepts like the 8-8-8 rule and the 4 burner theory. The lecture proved to be highly informative, interactive, and enriching for all participants.

Seminar on Green Technologies: Innovations and Applications

Satyam College of Education organized an informative Seminar on “Green Technologies: Innovations and Applications” on 19th February, 2026 under IQAC for B.Sc. Second Semester students (Batch 2025–28).

Dr. Nidhi delivered an engaging session on sustainable development, renewable energy, and eco-friendly innovations, highlighting the importance of green technologies for a better future. Students also presented informative papers on various green technologies and their applications, which enhanced their understanding of the topic. Students actively participated, making the session interactive and enriching.

NCF 2023

The Alumni Cell under IQAC, Satyam College of Education, organized an insightful session on 28th January, 2026. The session was conducted by distinguished alumna Ms. Varsha Singh (Batch 2019–21) on the topic NCF 2023. The interactive discussion enriched students' understanding of the key reforms, objectives, and implementation aspects of the National Curriculum Framework, making the session highly informative and engaging.

Session on CTET Preparation

The Alumni Cell under IQAC of Satyam College of Education conducted an informative session on CTET preparation for B.Ed. students on 21st January, 2026. The session aimed to acquaint students with the examination structure, including Paper I and II along with the CTET marking scheme. The resource person, Ms. S. Aishwarya (Alumna, Batch 2023–25), guided the students through the exam pattern and shared effective preparation techniques and strategies to enhance their readiness for the CTET examination.

Conference on Plastic Pollution

The IQAC of Satyam College of Education successfully organized a conference on “Plastic Pollution: A Global Environmental Challenge and Scientific Perspective” on 14th January, 2026 for B.Sc. Second Semester students (Batch 2025–28). The event provided a valuable academic platform for students to present research papers and share scientific insights on one of the most critical environmental concerns of the present time. The session was further enriched by the presence of Mr. Dhananjay Kumar as the resource person, who shared his expert knowledge and deepened the understanding of the issue among participants.

Conference on Effective Communication: Success Mantra

On 28th January 2026, the IQAC of Satyam College of Education organized a conference on Effective Communication: success Mantra for B.A. students (Batch 2024–28). The session was conducted by resource person Dr. Ruby Tyagi, who shared valuable insights on the significance of communication skills in academic, professional, and personal spheres, emphasizing their role in achieving overall success and personal growth.

Seminar on AI for Social Good

On 2nd February, 2026 the IQAC of Satyam College of Education organized an engaging seminar on AI for Social Good: Tackling Global Challenges with Technology for B.A. Education students (Batch 2025–28). The session was conducted by Ms. Vandana Verma, resource person, who shared valuable insights on how Artificial Intelligence can be leveraged to address pressing global issues and foster inclusive, equitable, and sustainable development.

Conference on Emerging Trends in Indian Finance

On 5th February 2026, the IQAC of Satyam College of Education organized a conference on Emerging Trends in Indian Finance, focusing on retail payments, fintech innovation, and financial awareness for B.Com students (Batch 2025–28). The session was led by the resource person, Mrs. Anshul Gupta, who highlighted the rapid expansion of digital payment systems, the transformative impact of fintech in financial services, and the growing importance of financial literacy in today's economy.

Seminar on Environment Sustainability Through Mission Life

On 15th May, 2026 The Extension Cell of Satyam College of Education celebrated World Environment Day 2026 through a student seminar on the theme “Environmental Sustainability through Mission Life” in collaboration with SAAR Publication. The keynote speaker, Dr. Dayananad Sharma, motivated students with his insightful views on environmental protection. Students were divided into five groups for PPT presentations, Results of the Seminar-

- Group 2 - First Position
- Group 1 - Second Position
- Group 3 - Third Position

Conference on Digital Commerce and Automation

The IQAC of Satyam College of Education organized a seminar on “Digital Commerce and Automation as Drivers of Operational Cost Efficiency in Contemporary Businesses” on 28th January, 2026 for **B.Com students (Batch 2025–28)**. The session was conducted by Dr. Roopali Chandra, who delivered insightful perspectives on the expanding role of digital commerce and automation in modern business practices and their impact on operational efficiency. The seminar was highly interactive and informative, providing students with a valuable understanding of emerging digital trends and their relevance in contemporary business environments.

Sports Inter-department Handball Competition

The Sports Cell of SCE under IQAC organized an inter-departmental handball competition between SCE and SSJMC on 2nd April, 2026 for B.Ed Semester 2 students (Batch 2025–27) of Satyam College of Education. The students participated with great enthusiasm and sportsmanship. Satyam College of Education emerged as the winner of the competition.

International Yoga Day

Sports cell@SCE under IQAC celebrated International Yoga Day observed on 21st June, 2026 each year. On the occasion of International Yoga Day, our students and faculty members enthusiastically participated in yoga activities. They practiced various yoga asanas and shared their photographs, demonstrating their commitment to a healthy body and a peaceful mind. The overwhelming response from students and teachers made this celebration truly special. Through yoga, our young learners embraced the values of discipline, mindfulness, and well-being.

Internship

The Internships Cell under IQAC, Satyam College of Education, reports that the second-year students of Batch 2024–26 successfully completed their 4 months internship from 19th November, 2025 to 27th February, 2026. The internship was conducted across several reputed schools in Delhi-NCR, including Bhaurav Das Devras Saraswati Vidya mandir (Noida), Delhi Public School (Noida Expressway), East Point School (Delhi), Government Girls Inter College (Noida), Indirapuram Public School (Indirapuram), Raghav Global School (Noida), Raghunath Arya Senior Secondary School (CP, Delhi), and Raisina Bengali Senior Secondary School (Mandir Marg).

The Placement and Career Counseling Cell under the IQAC at Satyam College of Education (SCE) organizes an annual placement drive for B.Ed. II year students started from 25th February, 2025. This year the college proudly celebrates the success of its B.Ed. 2023–25 batch, with 15 students securing esteemed teaching positions across reputed schools in the Delhi-NCR region. This achievement not only reflects the students' dedication and talent but also showcases the college's unwavering commitment to fostering excellent career opportunities and delivering quality teacher education. The 2025 placement drive witnessed the participation of several prestigious schools, including Delhi Public School, ASPAM, Noida Education Academy, Karl Huber, Hillwood, Uttam School, Arwachin International School, and Sarvottam International School. The selection process was comprehensive and competitive, involving initial screenings based on academic performance and extracurricular engagement, followed by multiple rounds of interviews and teaching demonstrations. Candidates were rigorously evaluated on their pedagogical skills, subject knowledge, and classroom management abilities. The final selection of 15 students is a strong testament to the high standards of training provided at SCE and the dedication of its students.

Internship is an integral part of undergraduate courses, providing students with valuable practical exposure and industry experience. At Satyam College of Education, B.A., B.Com., and B.Sc. students are offered internship opportunities in reputed organizations and companies. These internships help bridge the gap between classroom learning and professional practice by enhancing students' knowledge, skills, confidence, and employability. Through hands-on experience, students develop problem-solving abilities, workplace ethics, communication skills, and a deeper understanding of their chosen career paths, preparing them for future professional success.

Bharat BoudhIKS examination

Deepening its commitment to cultural heritage and academic excellence, Satyam College of Education, Noida, proudly served as an official center for the prestigious Bharat Boudh IKS Examination. Conducted in an offline mode on 31st January, 2026, in collaboration with Vidya Bharati Uchcha Shiksha Sansthan (under IQAC), the initiative offered students a meaningful platform to engage with traditional Indian Knowledge Systems. Bringing immense pride to the entire institution, Bhawna Jha, a dedicated first-year B.Ed. student, delivered an outstanding performance and was honored

with a Consolation Prize of ₹2,500 along with a certificate of merit. The event drew enthusiastic participation from various colleges, beautifully aligning with the vision of the National Education Policy (NEP) 2020 to integrate roots of indigenous knowledge into higher education. The vibrant academic atmosphere across the examination halls reflected a growing curiosity and respect among young minds for India's rich traditions. By celebrating both collective institutional growth and exceptional individual breakthroughs like Bhawna's, the event marked a memorable milestone in shaping culturally grounded future educators.

STUDENTS CORNER**Learning beyond books**

"The cruelest prisons are often built not with walls, but with society's expectations." What if confidence did not exist? What if human beings were judged only by beauty, height, weight, skin tone, or physical appearance? Would that truly define a person's worth?

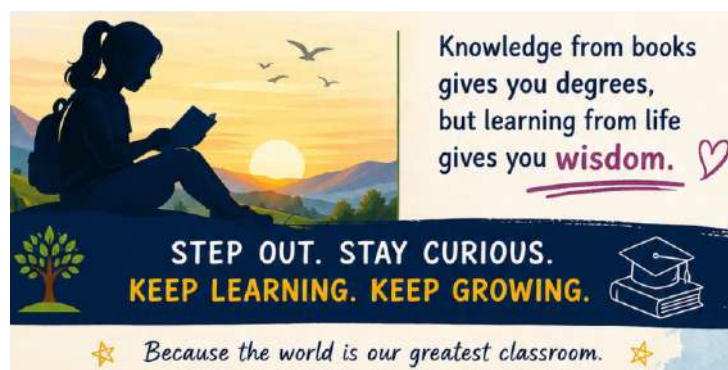

Would humanity be come nothing more than a competition of appearances? Today's society has become deeply obsessed with external perfection. From childhood itself, people are taught directly or indirectly that appearance determines acceptance. A person's height becomes a topic of discussion, weight becomes a source of mockery, skin colour becomes a standard of beauty and even natural features such as voice or body structure become reasons for judgement. What begins as "harmless comments" often turns into lifelong insecurities.

Many individuals grow up hearing statements disguised as jokes:

"You are too tall." "You should lose weight." "Your voice sounds strange." "You do not look feminine enough." "You would look prettier if..." And slowly, society conditions people to believe that they must constantly change themselves in order to be accepted.

One of the most ignored forms of social discrimination is body-shaming. It exists everywhere :in classrooms, family gatherings, friendships, social media, and even in casual conversations. People are criticised for things they often cannot control: height, facial features, body type, voice, complexion, or physical appearance. Instead of appreciating individuality, society attempts to fit everyone into one unrealistic definition of "perfect."

The problem becomes even more dangerous because these judgments are normalised. Relatives give "advice" in the name of

concern. Teachers sometimes unintentionally embarrass students. Friends make jokes without realising the emotional damage they leave behind. Social media further intensifies this pressure by constantly glorifying edited beauty standards and artificial perfection. As a result, countless people begin questioning their worth at a very young age. Confidence, the very foundation of personality, slowly starts breaking under the burden of comparison. And yet, confidence is exactly what society fails to value enough. A person may not fit conventional beauty standards, but confidence has the power to transform the way they carry themselves. It creates presence, strength, and individuality. People with confidence are remembered not because they are flawless, but because they radiate authenticity. There is a powerful quote that says:

"People will stare. Make it worth their while." Confidence is not arrogance. It is self-acceptance. It is the courage to exist peacefully in one's natural form despite society's constant pressure to change. Unfortunately, modern society often teaches people to perfect their appearance before accepting themselves. But true self-worth should never depend on external validation. Beauty fades, trends change, and societal standards continue evolving — yet personality, character, and confidence remain timeless. So perhaps the real question society needs to ask itself is:

Why are people taught to change their appearance before they are taught to accept themselves?
